

**Government of the District of Columbia
Board of Zoning Adjustment**

Application No. 16763 of Summit Properties Partnership LP, pursuant to 11 DCMR § 3103.2 for a variance from the minimum court area requirements under subsection 776.4 to allow the renovation of a vacant office building to mixed-use (residential/office) in a C-4 District at premises 900 15th Street, N.W. (Square 199, lot 64).

HEARING DATE: September 25, 2001

DECISION DATE: September 25, 2001 (Bench Decision)

SUMMARY ORDER

SELF-CERTIFICATION

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2.

The Board provided proper and timely notice of public hearing on this application by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 2B, and to the owners of property within 200 feet of the site. The application was also referred to the Office of Planning for review and report.

The site of this application is located within the jurisdiction of ANC 2B. ANC 2B submitted a letter in support of the application. The Office of Planning report recommended that the application be approved.

As directed by 11 DCMR § 3119.2, the Board required the applicant to satisfy the burden of proving the elements that are necessary to establish the case for a variance pursuant to 11 DCMR §§ 3103.2. No person or entity appearing as a party to this case testified in opposition to the application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the ANC and Office of Planning report filed in this case, the Board concludes that the applicant has met the burden of proving under 11 DCMR §§ 3103.2 and 776.4 that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in complying with the

Zoning Regulations, and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map. It is therefore **ORDERED** that this application be **GRANTED**.

Pursuant to 11 DCMR 3101.6, the Board has determined to waive the requirement of 11 DCMR 3125.3 that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party, and is appropriate in this case.

VOTE: **5-0-0** (Carol J. Mitten, Anne M. Renshaw, Geoffrey H. Griffis, David W. Levy and Sheila Cross Reid to Approve).
